**SIMUL8**

📍 Glasgow (currently remote)

£ Competitive salary

**This is an exciting opportunity to join our new business sales team and work with the best known organizations in the world like Ford, Cisco and the NHS.**

Our software helps our users to build your car more efficiently, get your deliveries to you on time and reduce how long you queue at shops and airports. We're even helping with the efforts around Covid so we can keep our loved ones safe.

Simul8 is the fastest, most intuitive and effective simulation software on the market. Every day our users make rapid, confident decisions using our software. From saving millions in manufacturing costs, to transforming lives by improving healthcare delivery, organizations in every industry are driving transformative changes with Simul8.

We love what we do and we're serious about simulation - but we don't take ourselves too seriously. Our team are down to earth, friendly, open and transparent.

Ready to join us?

## About you

You'll play a leading role in promoting Simul8's value proposition. Using a consultative sales approach to understand our prospects ambitions and vision for change; you'll show them how our industry leading software will help them make the best decisions possible, at blisteringly fast speed; and you'll help them to successfully navigate their buying processes as they transition to becoming our customer.

You'll find this role rewarding if you are driven to help others solve problems and you gain satisfaction from seeing transformations come to life. In addition to managing inbound interest, you'll use your drive to proactively promote Simul8's value proposition to its target markets, growing and replenishing your pipeline with a steady stream of new logo opportunities.

## Your attributes
